

Annual Parish Meeting Trimley St Mary Parish Council

Monday 11th May 2026 – Welcome Hall

Attendees;

Chairman David Southgate
Councillor Mick Richardson
Councillor Richard Kerry
Councillor Bryan Frost
Clerk

One member of the public was in attendance along with District Councillor Lee Reeves and Mike Nimnney.

Apologies

Vice Chair Lynn Beal

Meeting commenced at: 1933 Hours

The minutes of meeting held on the 2nd June 2025 were approved and signed.

DS submitted his annual report before the meeting which has been made available on the Website before the meeting.

District Councillor Lee Reeves had submitted his annual report before the meeting which was also made available on the website before the meeting.

District Councillor Mike Nimnney made mention to the fact that hopefully there will be investment into the Sports facilities such as Brackenbury now that there will not be a new sports facility being built in Felixstowe.

DS thanked Country Councillor Stuart Bird for his dedication and hard work within the Parish. Annual Trust Reports have been submitted to the Parish Council.

Member of the public G Hall mentioned in public forum that the drain covers and frames at the Stennetts Car Park require replacement with new heavy duty drain covers and frames. This is going to cost in the region of GBP 3060 +VAT and G Hall wanted to know if there would be any funding for this as this is a health and safety concern for members of the public. Agreed that this would be brought up in next Parish Council meeting but further quotes would be required from the Club.

Meeting concluded at 1945 Hours

Signed by Chair:
