Heritage open Weekend: There will be an opportunity to see some of the historical photographs and documents of the Trimley villages collated by the very dedicated Trimley St Martin recorder Liz Rastrick. There will be an exhibition at 2 Two Sisters Arts Centre, also known as Trimley St. Mary Church on 7th and 8th September over Heritage Weekend. As well as photographs it will include living history and a very special opportunity to look deeper into the lives of those who died during the two World Wars, courtesy of Barbara Shout. Free Entry

Drinking water tap: To help reduce single use water bottles we have installed a public drinking water bottle filling tap at the Welcome Hall for all to use. The tap is situated down the left hand side. There's a doggy bowl there too.

Roseberry Café : Our Council again this year were able to offer financial support to the great team at Roseberry Café who run from our trusts land at Stennetts playing field, over the school holidays they offered free lunches and activities on Wednesdays. The Café is open every Wednesday for drinks, scones, cakes & lunches.

Please can we remind you that dogs are not permitted on the trust land as this is a playing field.
